It was a freezing cold December afternoon and we were tired after our lessons. As we were packing our schoolbags to go home, the headmaster rushed into our classroom. "Oh, no! Have we done anything wrong?" we asked. The headmaster said that we were all going on a trip to Sri Lanka, Malaysia and Singapore. We couldn't believe it when we arrived in Sri Lanka! Despite being tired from the long journey, we unpacked our bags, and then headed straight to the beach to relax. I have never seen a beach like it in my life! It had amazing crystal-clear blue water and fine white sand. We stayed in Sri Lanka for another four days and then set off for our next destination – Malaysia. Malaysia was an exciting place and the capital city, Kuala Lumpur, was busy twenty-four hours a day! We stayed in a really luxurious hotel. I loved it there! Our final stop was Singapore. The highlight of our trip was a visit to Sentosa Island where we watched an exciting laser show. There were so many wonderful shops in Singapore; I bought all my family and friends souvenirs. When the time came to return home, not one of us wanted to leave. The trip was better than we could have ever imagined. I can't wait to go on holiday again!
