Listen to the audio. (Escucha el audio)

The audio player interface features a central image of a boy and a girl talking. The boy asks, "How do you spell English?" and the girl replies, "E-N-G-L-I-S-H." The boy then says, "Well done!". Surrounding them are eight colorful cards representing school subjects: English (with a Union Jack flag), Spanish (with a book and "¡Hola!"), Music (with a drum), Arts and Crafts (with a palette), Maths (with a chalkboard showing $4+2=6$ and $8-5=3$), PE (with a basketball), Science (with a magnifying glass over ants), and ICT (with a computer monitor). At the bottom, there is a play button, a progress bar, and a timestamp of 00:00 / 00:21.
