Question 19-21: Read the text and choose the correct answers

Studying abroad was one of the most exciting experiences of my life. I spent a year in Germany, learning not just the language but also about the culture and history. The classes were challenging, but they helped me grow academically and personally. I made friends from all over the world, which allowed me to learn about different perspectives and traditions. I also traveled to nearby countries during holidays, visiting places I had only read about before. There were times when I felt homesick, but the support from my host family made it easier. Overall, studying abroad opened my mind to new opportunities and helped me become more independent.

19. What is the main idea of the paragraph?

- A. The writer struggled while studying abroad.
- B. The writer found studying abroad a valuable and exciting experience.
- C. The writer only studied German language.
- D. The writer did not enjoy studying abroad.

20. Which country did the writer spend a year studying in?

- A. France B. Germany C. Italy D. Spain

21. Which is TRUE according to the text?

- A. The writer only studied language when in Germany.
- B. The writer did not make any friends while studying abroad.
- C. The writer felt homesick at times while studying abroad.
- D. The writer did not learn about the culture or history.

Question 22-24: Read the following text

Learning how to learn is a skill that can transform the way we approach education and personal development. It involves understanding the best strategies for absorbing, retaining, and applying information effectively. Techniques such as active recall, spaced repetition, and mind mapping help students to engage with material more deeply and retain knowledge for longer periods. Additionally,

self-reflection on one's learning process allows individuals to identify strengths and weaknesses, adjusting methods accordingly. By mastering the skill of learning, students become more adaptable, capable of tackling complex subjects with greater confidence. Moreover, learning how to learn encourages lifelong learning, as it provides tools to continue education beyond formal settings. This skill is not just about academic success but is crucial in a fast-changing world where the ability to quickly acquire new knowledge is highly valued.

Fill each blank in the following sentences with ONE word from the text.

Learning how to learn is a transformative skill for education and personal (22)_____.

Effective strategies include active recall, spaced repetition, and mind mapping. (23)_____ helps identify strengths and weaknesses in the learning process. Mastering learning skills fosters adaptability and confidence in tackling complex subjects. Learning how to learn encourages lifelong education and is essential in a (24)_____ world.

Question 25: The following sentence has ONE word that is not correct. The correct word has the same pronunciation as the wrong one. Circle the wrong word and write the correct word.

We have 5 people but their are only four chairs in the room. Correct word: _____

Question 26: Write a paragraph of 50-70 words to answer the following questions:

What are the benefits of doing exercise regularly?
