Tom Cruise by Sarah Holden

When our teacher asked us to interview a person that we admire, I had never thought I could actually interview Tom Cruise. I had been thinking for some time who else I could talk to, but it seemed to me that anyone else would come a poor second.

Then, one day, out of the blue, as I was enjoying a hot cup of chocolate in our local coffee shop, I heard a man asking me if he could sit next to me. As I turned around and saw Tom Cruise smiling at me, I was at a loss for words. He was so pleasant and friendly that I felt confident and asked him for a mini interview. Much to my surprise, he happily agreed.

Over the years, Tom Cruise has become one of the most popular and successful actors in the world. He has long been an international star, who gets paid millions of dollars for every film he makes. "I'm lucky," says Tom. "I'm doing what I love, and I'm having a great time. Lots of people would love to do this job, but they didn't get the chances that I did."

For many of us, however, Tom is more than just lucky or good-looking, as great acting ability and determination were needed for him to become one of Hollywood's biggest names.

Is Tom happy with his success so far? He has a different outlook on his career than one might expect. "I've always looked to the future," says Tom. "I feel I'm always developing as an actor. I'm looking for new things all the time. I want to challenge myself to be better and always try new things. I know I've made a lot of progress in my career, but I still have ambitions for the future."

After interviewing him, I understood that Tom Cruise has a mind of his own and he's not at all like the characters in his movies. That's why, I believe, he has had so much success in his career; because of both his talent as an actor and his personal strength. Tom always knew what he wanted to do with his life and did his best to succeed.

11. When Sarah was asked to interview the person she admired,
- A. she never thought that she was likely to talk to Tom Cruise.

 - B. did not originally want to be interviewed.
 - C. was uncomfortable talking about himself.
 - D. is very likeable as a person.
13. What does Tom say about other people who try to become actors?
- A. They are not as hard working as successful actors.
 - B. He was more fortunate at certain points in his career.
 - C. They did not love the job as much as he did.
 - D. He took more risks than them to achieve success.
14. How does Tom describe his attitude to his work?
- A. He is only interested in making millions of dollars as an international star.
 - B. He is unlucky and has had many breaks in his career.
 - C. He looks forward and wants to improve and develop.
 - D. He is determined to become famous one day, whatever the cost.

Questions 16 – 20

For each question, choose the correct answer.

Five sentences have been removed from the text below.

There are **three** extra sentences which you do not need to use.

Identical Twins

I look in the mirror and I see my sister. Why? Because we look exactly alike. We have the same face, hair, height and build. The only difference is her eyes. **16** She has one green, one blue.

Most people think that twins run in families. In fact, this is untrue. Although there are families who have more twins, this is not due to something 'special' in the family. It is complete chance, or just good luck. **17** Only thirty three out of a thousand births are twins. And identical twins are even less. Only three in a thousand!

So what's it like being an identical twin? In other words, to look exactly the same as your brother or sister? Well, it can be great fun but it can be quite challenging, too. My sister and I are very close, to the point that we sometimes think exactly the same thing at the same time! But sometimes we are different, too. **18** However, when we were little we dressed in the same way, which was fun because we got lots of attention, and teachers couldn't tell us apart.

Our main difference is in what we like eating and doing. Gina, my sister, loves sweet things, like cakes or honey. I, on the other hand, eat spicy food and mostly vegetables. Also, we are both sporty, but I'm a swimmer. **19** Nobody can explain this fear. She won't even walk near the sea on a beach. She is great at tennis though, and wants to be a tennis coach one day. **20** We are so similar and yet so different.

- A. Surprisingly, this is quite usual.
- B. It's strange, don't you think?
- C. We choose to always be identical in appearance.
- D. Gina is terrified of water.
- E. We don't wear the same clothes most of the time, either.
- F. And, of course, it is not that common.
- G. I'm not afraid of being in deep water, even in the sea.
- H. Mine are both the same colour.
