My Friend

I like my friend Sarah very much. She is kind and always helps others. Sarah listens to me when I have problems. She makes me laugh with her funny jokes. We spend a lot of time together. Sarah loves animals and takes care of her pets. She is also very smart and does well in school. I like Sarah because she is a good friend and always supports me. We enjoy going to the park and playing games. Sarah is a special person in my life, and I am happy to have her as my friend.
