SPORTS EVENTS

A. Cricket

Cricket is a nice and relaxing sport to watch. One game can last all day, so you will need to take a cushion with you. Some people take a picnic with them. People are usually very quiet while watching cricket. They only shout and clap when a player scores points for their team. Cricket is only played in the summer and is postponed if it rains.

B. Tennis

Most tennis competitions take place outside and need the weather to be warm and dry. There are very few seats compared to other sports so it can be difficult to get tickets. These competitions can take all day so people take their own food and drinks with them. One of the rules of watching tennis is that you must be very quiet while the athletes are playing. When players score a point, the crowd claps.

C. Skiing

Skiing is a winter sport and a lot of snow is needed. Skiing competitions take place in countries which have mountains. It can be very cold watching skiing. Most people take a special bottle with tea or coffee to keep them warm. There is a lot of waiting when watching a ski competition and when someone skis past, you only see them for about 10 seconds.

D. Football

Football can be a very noisy game and is played all year round. For the important matches, some stadiums can hold around 90,000 people. Some people have to stand all the time. Football fans often have to travel a lot when their team plays away. You are not allowed to take your own food into the stadium. They sell hot food and drinks.

E. Basketball

Basketball is played inside and there are two teams that try to get the ball into the basket the most times. People who watch basketball are sometimes noisy but not as much as football fans, for example. Basketball can be played all year round and it doesn't matter what the weather is like outside. You can't take food into the stadium, but members of staff go around the stadium selling cold snacks and drinks.

F. Horse Racing

Horse racing is an event that lasts all day and has lots of different individual races. These events take place all year round and in all weathers except for snow or if the ground is frozen. Lots of people take picnics and can park their car near the race track. There are usually a few restaurants available with views of the race track.

G. Beach Volleyball

This is a very popular sport in the summer by the seaside. Many games are played on public beaches, so anybody can go and watch. The players don't wear shoes because they are playing on the sand. As it is public, anyone can take food and drinks to the matches. But there is too much sand to have a picnic when watching beach volleyball.

H. Rugby

Rugby players carry the rugby ball, but they can kick it if they want. Rugby is also a very popular game but the people who watch rugby are usually better behaved than those who watch football. Food is not allowed in the stadium but is available to buy. People watching rugby usually stay sitting down. This sport is played all year round.
