Hi Antonio,

I hope you are having a good time. I arrived at the summer camp in Sardinia a few days ago and so far so good. Everyone is very friendly. I made a few friends already. They're pretty cool. It's a very nice place with lots of things to do.

We 1) get up at 7 am for breakfast and then we have to go to English lessons. After lunch, we can do whatever we like, but we 2) leave the camp without a group leader. We 3) choose from a lot of activities like horse riding, canoeing and so on. There's also a small beach. Yesterday, we spent the whole day there. In the evening, we 4) play video games or watch films or just hang out. I'm having a great time. The only problem is that we 5) be in bed by midnight.

Anyway, you 6) come next year. You'd love it here.

See you soon,

Enrico
