

The Passive Voice

Put the verbs in brackets into the correct passive form:

The awe-inspiring Segovia Aqueduct
(situate) in central Spain. It(build) by the Romans in
the first century CE and(design) to bring
water to the town centre. Today, the aqueduct is still an amazing
piece of architecture and (visit) by tourists from
all over the world. Standing at 28.5 metres high, it's got two rows
of arches which(support) by pillars. The
entire structure(make) of granite. Day trips
from Madrid can easily(arrange) with Golden
Travel. You will(drive) there by coach and
then you will.....(take) on a tour of the town
and the aqueduct with a guide. The magical experience really
mustn't(miss)!
