

You belong with me – Taylor Swift

You're on the phone with your girlfriend, she's upset
She's going off about something that you said

'Cause she _____ get your humor like I _____
I'm in my room, it's a typical Tuesday night
I'm listening to the kind of music she _____ like
And she'll never know your story like I do

'Cause she _____ short skirts, I _____ t-shirts
She's cheer captain and I'm on the bleachers
Dreaming 'bout the day when you _____ and _____
That what you're looking for has been here the whole time

If you could see that I'm the one who _____ you
Been here all along, so why can't you see?
You _____ with me, you _____ with me

Walk in the streets with you in your worn-out jeans
I can't help thinking this is how it ought to be
Laughing on a park bench thinking to myself
"Hey, _____ this easy?"

And you've got a smile that can light up this whole town
I haven't seen it in a while since she brought you down
You _____ you're fine, I _____ you better than that
Hey, what you doing with a girl like that?

She wears high heels, I wear sneakers
_____ cheer captain and _____ on the bleachers
Dreaming 'bout the day when you wake up and find
That what you're looking for has been here the whole time
