Basketball

I like basketball. It is my favorite sport. Every day, I play basketball after school. I play with my friends in the playground. I am tall, and I jump high. I practice shooting the ball into the basket. I am very good at it.

I like basketball because it is fun. I like to run and jump. When I play, I feel strong and happy. I also like to play with my friends. We laugh and work together as a team. Sometimes we win, and sometimes we lose, but we always have fun.

I want to be a great basketball player one day. I watche games on TV and learn new moves. Basketball is my favorite sport because it makes me feel good, and I enjoys playing it with my friends.
