Hi Gran,
I'm having a great time. I swim every day but the jellyfish are a little dangerous. I found a shark's tooth this morning. I'm also trying different foods. I love octopus!

Dear Mum and Dad,
It's fantastic here. During the day we go horse riding, trekking, climbing, canoeing and play games. At night we cook sausages, tell stories and sing songs. I love it. See you on Saturday!

Hello Uncle Jack,
I'm very happy here. Everything is very green and beautiful here, although it rains a lot. There are lots of different types of trees, some of them are more than 500 years old.
Best wishes _____

Hello,
I am having a nice relaxing summer in my garden! Every morning I play football with my friends. In the evening I take my dog for a walk in the park with my mum and we have an ice cream. See you at school!
