

Out of My League

by Fitz and The Tantrums

More than just a dream

More than just a dream

40 days and 40 _____

I waited for a girl like you to come and save my life

All the days I waited for you

You know the ones who said I'd never find _____ like you

'Cause you were out of my league

All the things I believed

You were just the right _____

Yeah, you were more than just a dream

You were out of my league

Got my _____ racing

If I die, don't wake me

'Cause you are more than just a dream

From time to time, I pinch myself

Because I think my girl mistakes me for somebody else

And every time she takes my _____

All the wonders that remain

Become a simple fact

That you were out of my league

All the things I believed

You were just the right _____

Yeah, you were more than just a dream

You were out of my league

Got my heartbeat racing

If I die, don't wake me
'Cause you are more than just a dream
You were out of my league
All the things I believed
You were just the right kind
Yeah, you were more than just a _____
You were out of my league
Got my _____ racing
If I die, don't wake me
'Cause you are more than just a dream
More than just a dream
