D. They can relate to their stories and personalities.

V. Choose the word (A, B, C or D) that best fits the blank space in the following passage. (23-28)

Clothing is an important part of a teenager's life because it lets them show who they are and feel good about how they look. Teenagers' fashion is always 23, and popular culture, social media, and even their favorite celebrities can have a big 24. People in this age group often try out different styles as they try to find their own unique 25.

Teenagers often choose clothes that show what they like to do, like sports sweaters or band 26. Many teens choose casual clothes like jeans, t-shirts, and sneakers for their daily activities because they are comfortable and easy to use. However, special events like proms or parties might call for more formal clothes like dresses or 27.

Teenagers, who are becoming more aware of how the clothing industry affects the environment and society, are also becoming more interested in ethical and eco-friendly fashion. This makes them more likely to buy from brands that are good for the environment or even to 28, which means to buy used clothes from thrift stores or online platforms.

In short, what teenagers wear shows what they like, what they care about, and what they believe in. It lets them show how unique they are while also letting them adapt to different situations and keep up with the latest trends.
