Thailand

I want to travel to Thailand. It is a beautiful country with many things to see. I want to visit the temples because they are very old and interesting. The temples are big and have golden statues.

I also want to go to the beach in Thailand. The water is clear, and the sand is soft. I can swim and relax there.

I hear the food in Thailand is very tasty, so I want to try it. I want to eat noodles, rice, and spicy dishes.

Another thing I want to see is the elephants. I like animals, and I think riding an elephant would be fun.

Thailand is a place with many colors, sounds, and good things to eat. I want to visit because it is so different from my country.
