Hot Topics: Music in Your Life

Wayne Seok Manager, Seoul, South Korea

I'm a big music fan. My favorite genres are rock, electronic, and hip-hop. I listen when I'm sad, when I'm happy, when I'm bored, when I'm relaxing . . . almost all the time. I actually don't download music because there are lots of good streaming services. It's so easy, and it doesn't cost much. I just click on an app on my smart phone and listen. I also love live music at big concerts because you can meet lots of other music lovers. Every summer I go to the Jisan Valley Rock Festival near Seoul. It lasts 3 days, so we camp out there and have a lot of fun.

Matheus Rocha High School Student, Fortaleza, Brazil

My favorite music might seem unusual for a sixteen-year-old guy. Unlike most of my friends, I enjoy older Brazilian music—samba and bossa nova, especially from artists like Tom Jobim. I play the saxophone in the school band, and I'm a real fan of the American jazz artists Grover Washington Junior and Kenny G. I can't imagine my life without music. I listen to music every day on my phone or on my computer. I'm very busy at school, so I listen mostly at home.

Katherine Baldwin English Teacher, Madrid, Spain

I'm a real music lover, so I listen a lot. I even listen to music when I'm doing other things. I listen to quiet music while I prepare my classes, and I listen to exciting music when I exercise. If I don't, I get bored. At home, I listen on my computer: MP3s from my library or to online radio. Online radio is much better than regular radio because you can skip songs you don't like! I buy music online, too—singles, because I don't want to listen to 12 songs in a row by the same musician. You know what I hate? Big concerts in an arena where you can't see the musicians. I prefer shows in small clubs.
