| B |                                                     | Dear Adel,                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |
| C | Connection with the receiver & Purpose of the email | How are you and your family? I hope all is going well. I am delighted to let you know about the colour I love best and the reasons behind that.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |
| D |                                                     | <p>Personally, I think blue is the most captivating colour <sup>1</sup> . The vast sky above us and the endless oceans around us <u>has</u> <sup>2</sup> a calming effect at <sup>3</sup> our eyes and souls. Some planets <u>same</u> <sup>4</sup> Neptune are also <u>enormos</u> <sup>5</sup> and fascinating. <u>Addition</u>, <sup>6</sup> , sapphire is among <u>the valuablest</u> <sup>7</sup> and prestigious gems. <u>More over</u>, <sup>8</sup> , plenty of <u>companys</u> <sup>9</sup> choose logos that contain this colour to build trust with their customers and to be easily remembered. In fact, blue is the symbol <u>for</u> <sup>10</sup> vastness, depth, and reliability and it makes us <u>fill</u> <sup>11</sup> calm and confident. That's probably why students usually <u>right</u> <sup>12</sup> with a blue pen.</p> |
