Transportation

There are several transportation options in Aarhus (and in Denmark more generally) from which you may choose:

[...]

Buses: The public transportation in Aarhus is generally reliable, although sometimes with minor delays. Most buses will run every 15 minutes during the day hours and every 20-30 minutes during evening hours, stopping around midnight. There are also night buses available after midnight, however, keep in mind that the fare for riding a bus late at night is double the price, regardless of how far you travel.

One normal trip (prior to midnight) will typically cost you 20 kr. (\$3), as long as you travel within the city center. [...]

The following buses stop near the University: 1A, 5A, 12, 13, 100, and 200.

[...]

Airport bus to/from Aarhus: There are shuttle buses between Aarhus and Aarhus Airport in direct connection with the arriving and departing flights. The trip from the central train station in Aarhus to the airport is approx. 45 minutes. [...]
