

The screenshot shows a YouTube live stream interface. At the top, the browser address bar displays the YouTube URL. Below it, the YouTube navigation bar includes the logo and a search bar. The main video player area is divided into two sections: a small video feed of a man on the left and a larger presentation slide on the right. The slide has a pink and purple background with the text '2.- ESCRIBE' and 'Cuándo quieras obtener una información específica'. Below this, an example is provided: 'Ejemplo: Con base en la información anterior, ESCRIBE la Planeación Didáctica de una clase sobre el tema de las áreas de Dominio del Aprendizaje según la Taxonomía de Bloom.' The video player controls at the bottom show it is a live stream ('ESTRENO'). To the right of the video player, the 'Top chat' section displays messages from viewers, including one from 'INCMéxico' and another from 'Juan Homero Roldán Rojas'. At the bottom of the page, the channel name 'INCMéxico' is shown with '760 suscriptores' and a 'Suscribirse' button. A status bar at the very bottom indicates '8 personas mirando ahora' and 'Estreno en curso. Comenzó hace 116 minutos'.
