Zoos

Zoos can help us to learn more (Ex).....**about**..... our world.

People go to zoos to see the animals, birds and fish (1)..... come from different parts of the world. Zoos weren't always very good places for animals (2)..... they sometimes had to live in small cages.

(3) Now cities in the world have a big zoo. They sometimes have long grass where animals (4)..... giraffes, lions and tigers can run and play. In (5)..... zoos, there are often rivers for the crocodiles to swim in. The animals think they are in the jungle - not a zoo!
