

Read the following text and identify all the descriptive adjectives it mentions. After that, look for those adjectives in the word search. You must find 10 words.

## My Family

My name is Oscar and I live in the countryside with my family. We have a small farm. My mom milks the cows every morning. Animals usually love her because she is very kind. My dad and grandpa work together in the field, they are pretty strong.

I have two siblings, Alicia and Pablo. Alicia is tall and brave, she loves riding horses. Pablo is patient and funny, he likes playing with our dog, Sniff.

My aunt Jane lives next door, she gives me cookies every time I visit her, but she is really strict and doesn't let me play in her garden. She says that I will distract my cousin Tom while he studies. Tom is responsible and intelligent, he wants to be a veterinarian.
