

She's got a smile that it _____ to me

Reminds me of childhood _____

Where everything was as fresh

As the _____ blue sky

Now and _____ when I see her face

She takes me away to that _____ place

And if I _____ too long

I'd probably _____ down and cry

Oh, oh, oh, sweet child of mine

Oh, oh, oh, oh, sweet love of mine

She's got eyes of the bluest _____

As if they _____ of rain

I _____ to look into those eyes

And see an _____ of pain

Her hair reminds me of a _____ safe place

Where, as a child, I'd _____

And pray for the _____ and the rain

To _____ pass me by

Oh, oh, oh, sweet child of mine

Oh, oh, oh, oh, sweet love of mine

Oh, oh, oh, oh, sweet child of mine

Ooh, yeah, yeah

Ooh! Sweet love of mine

Where do we go?

Where do we go now?

Where do we go?
