"My Environment.My Responsibility " Escribe AP o AN

Pollution continues to rise	Reduce our carbon footprint
Keep the environment clean	Spread awareness
Promote eco-friendly solutions	Resources become scarce and expensive
Adopt eco-friendly habits	The Earth keeps suffering
Actions like littering are harming the Earth	Small efforts can lead to Significant change
Animals can't find their food	There is a lot of traffic in the city
Fumes affect the fields where farmers grow crops	People clean the water in the city
The air is full of traffic fumes	Oxygen enters the water
Fumes from the traffic pollute the countryside	Adopt green policies
People get sick	Plants grow and insects and fish return
