

Mixed-up story!

Can you put these pictures and sentences in order?

She could see a beautiful garden, but she couldn't fit through the door.

"Now we all need prizes," said the Dodo.

Inside was a cake with another label:
EAT ME.

Suddenly, a white rabbit ran past.

"Let's run a race!" said the Dodo.

All kinds of animals were swimming
beside her.

"I'll never reach the garden now."

The rabbit said, "I'm going to be late."

Alice fell down the hole, a long way down.
