

## Add more than 2 numbers on the number line

*Tip: Arrange numbers from large to small*

Solve the problems.

1. Sophia picked 4 yellow flowers, 5 red flowers, 2 pink flowers.

How many flowers did she pick in all?

$$\boxed{\phantom{00}} + \boxed{\phantom{00}} + \boxed{\phantom{00}} = \boxed{\phantom{00}}$$

2. Jana saw 4 yellow birds, 3 red birds, 2 blue birds.

How many birds did she see in all?

$$\boxed{\phantom{00}} + \boxed{\phantom{00}} + \boxed{\phantom{00}} = \boxed{\phantom{00}}$$
