Vocabulary

4 Complete the text with the correct answers, a, b or c.

My company has recently been ¹ a with the local government on a project to improve road safety. I'm ² a team of experts in different aspects of road safety. My first job was to ³ assemble the team so I spent a few weeks interviewing candidates and selecting the best people I could find. There's a huge amount of work so I need to be able to ⁴ delegate as much responsibility to them as possible. They've had to ⁵ devise strategies for identifying problems related to road safety, such as looking at accident records. They've also had to ⁶ collaborate discussions between different organisations like the police and the town council to find out their views. Based on these discussions, my team might suggest that more cameras need to be ⁷ headed up to make sure people are driving safely in the town centre. My main job has been to ⁸ monitor the work carried out by my team and make sure the project will be completed on time. I need to ⁹ submit their progress carefully because I have to ¹⁰ report to my boss once a fortnight.
