

Sukabink šeimos nuotraukas. Spragtelk ant rėmelio, išgirsks, ištark ir surask tinkamą nuotrauką.

The worksheet is set against a background of floral wallpaper with pink roses and green leaves. In the center is a brown wooden sofa with a cream-colored cushion and two red-and-white striped pillows. Above the sofa, there are two rows of four empty, rounded rectangular boxes. Each box is a different color and has a small black dot at the top with a line connecting it to a red speaker icon. The colors of the boxes are: pink, blue, orange, light blue, brown, purple, olive green, and green. Below the sofa, there are eight circular photo frames, each with a red speaker icon. The frames contain the following people: a man with brown hair, a woman with brown hair and a yellow clip, a woman with blonde curly hair, an older woman with grey hair and glasses, a man with glasses, a man with brown hair, a man with blonde hair, and a woman with blonde hair. The goal is to click on the correct photo frame to hear a sound and then find the matching photo in the boxes above.
