From: John Smith

To: Sarah Jones

Hi Sarah,

I'm writing to you today regarding the upcoming (1) _____ for Project Alpha. As you know, it's scheduled for next Friday, and I'm concerned that we might not be on track to meet it. I know your (2) _____ has been heavy lately, but we really need to finalize this.

I've attached the latest (3) _____ for your records. Could you please review it and let me know if you have any questions?

I also need to (4) _____ on the marketing team for their contributions. They haven't sent over their final drafts yet, and I need those to complete the project.

I understand that things can get hectic, but it's crucial that we stick to the agreed-upon (5) _____ for this project. Our clients are quite (6) _____ that we deliver on time, as any delays will impact their launch schedule.

Could you please send me a quick update on your progress and confirm that you can meet the deadline?

A gentle (7) _____ is sometimes all it takes to keep things moving.

Thanks,

John
