Four number lines are shown, each starting with a number in a speech bubble and ending with a large oval containing three small circles. The number lines are decorated with symbols representing the number of tens and ones.

1. Number line starting at 243. The symbols are: 2 triangles, 4 vertical lines, 3 circles, 1 vertical line, 3 triangles, 1 vertical line, 3 circles. The number 243 is in the speech bubble.

2. Number line starting at 194. The symbols are: 1 circle, 9 triangles, 4 vertical lines, 1 circle, 1 triangle, 4 vertical lines. The number 194 is in the speech bubble.

3. Number line starting at 365. The symbols are: 3 circles, 6 triangles, 5 vertical lines. The number 365 is in the speech bubble.

4. Number line starting at 503. The symbols are: 5 triangles, 0 vertical lines, 3 circles, 0 vertical lines, 1 triangle, 0 vertical lines, 1 vertical line, 0 vertical lines, 3 circles. The number 503 is in the speech bubble.

243 $\triangle \triangle ||| \bigcirc || \triangle \triangle \triangle | \bigcirc \bigcirc \bigcirc$

194 $\bigcirc \bigcirc \bigcirc \triangle \triangle \triangle ||||| \bigcirc \triangle ||||$

365 $| \bigcirc \triangle \triangle || \bigcirc \triangle \bigcirc \triangle \triangle |||||$

503 $\triangle \triangle |||| \bigcirc || \bigcirc \triangle \bigcirc | \bigcirc ||| \bigcirc$
