1.

Dear Amy,

I really enjoyed visiting you in your new apartment. It's one of the nicest apartments I've ever seen. I liked everything about it: the modern kitchen and bathroom, the elegant living room and dining room, and the sunny bedrooms. I can't believe there's even a garden with leoond orange trees in front of the building. I think you'll be very happy in your new neighborhood. It's certainly very convenient to be so near a supermarket, a movie theater, and a train station.

I'n looking forward to seeing you again and meeting your new neighbors.

Sincerely,
____or____an
