

Written test - GESE 3

Part 1: Writing Task

Write a short paragraph about your typical day. Remember to use the time.

Part 2: Local facilities

Complete the map using the text

	
Next to the main entrance there is the parking lot and the bus stop. If you turn right, you can find the local restaurant, and going north there is a beautiful castle, it's a very nice place to visit. When you go south there is the beach and on the east you can go to the amusement park. It has a lot of fun attractions, I usually go there with my friends on the weekends.	

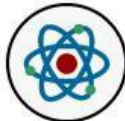

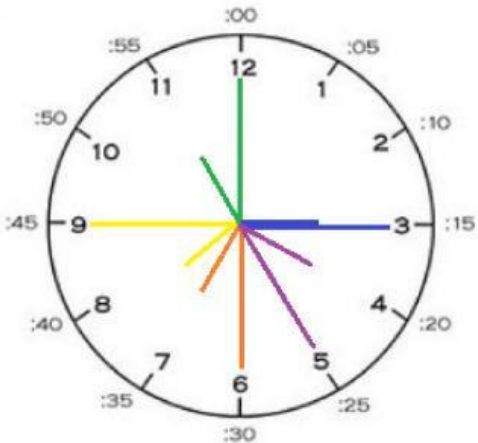

Part 3: Giving dates

Name the festivity and choose the correct the date

 _____ _____	 _____ _____	 _____ _____
---	---	---

Part 4: School

Name the subjects and complete the text with the clock

   	
---	--

Every Monday I start school at _____. My first subject is science at _____, next I have a break and then _____ at _____.

After that I have a lunch break and I start with PE at _____. Finally I have _____ at twenty-five past four. Once I finish my geography class, I go back home and do my homework.

Match the descriptions with the names

- a. This person works in the community. They help people when they are in trouble and make sure everyone follows the law.
- b. This person grows food. They get up early to take care of the crops and feed the animals. They help provide food for everyone.
- c. This person can work in homes, schools, and offices. They use a broom, vacuum, and mop to clean floors and also dust furniture and take out the trash.
- d. This person helps sick pets like dogs and cats. They work in clinics and sometimes visit farms. They help people take care of their pets.
- e. This person works with tools like hammers and drills. They often work in teams and follow plans. They help make new places for people to live and work.

Part 6: Weather

Read the weather report and answer the questions

Last week, the weather was quite interesting. On Monday, it was sunny and warm. The temperature reached 25°C, and many people enjoyed the beautiful day in the park.

On Tuesday, the weather changed. It rained heavily in the afternoon, and the streets became very wet. The temperature dropped to 18°C, and people stayed indoors.

Wednesday brought cloudy skies, but there was no rain. The temperature remained cool at around 20°C. Some residents went for walks despite the overcast weather.

On Thursday, we experienced strong winds. The wind blew at 30 km/h, and it felt much colder. The temperature fell to 15°C, and many people wore jackets.

Finally, on Friday, the clouds cleared, and the sun returned. The temperature rose to 22°C, and everyone was happy to see the sunshine again.

Overall, it was a week of varied weather!

- 1. What was the weather like on Monday?
- 2. How did the weather change on Tuesday?
- 3. Describe the weather on Wednesday.
- 4. What weather condition was experienced on Thursday?
- 5. How did the weather change on Friday?
