## GREETINGS FROM THE BAHAMAS

Dear Zach,

This is a beach in The Bahamas. Can you see the sand? It's pink! There are some shells on the beach. There are some trees, too.

Look at the sea! It's blue. There are some fish in the sea. This fish is a *Clown fish*. It's orange and white.

I can play baseball on the beach. I can swim in the sea, too.

From,  
Alvin
