## Adjective structures

*Match the two halves.*

- |                                                                   |                                                            |
|-------------------------------------------------------------------|------------------------------------------------------------|
| 1. This is the best restaurant in the city,                       | but the actors are really talented.                        |
| 2. Paul is funnier than I am,                                     | but hers has more patterns on it.                          |
| 3. This movie is less exciting than the one we watched last week, | especially when he tells jokes at family gatherings.       |
| 4. This is the least crowded street in the neighborhood,          | and they serve amazing desserts that everyone talks about. |
| 5. Her dress is as colorful as mine,                              | especially if you want to avoid traffic.                   |
| 6. The earlier you leave, the better,                             | so it's perfect for evening walks.                         |
| 7. The weather is getting colder and colder,                      | and she always helps others with their homework.           |
| 8. This movie is a bit longer than the last one,                  | and we have no idea what to do to solve this problem.      |
| 9. She is by far the smartest student in the class,               | so we need to start wearing warmer clothes.                |
| 10. The situation isn't getting any better,                       | but the plot is much more engaging.                        |
