TechSpeak: English Empowering Industrial Engineers

Instructions:

- Larger circles (●) indicate important words that should be stressed when reading the sentences. Smaller circles (•) indicate words that should be unstressed.
- Record yourself reading the sentences, placing emphasis on the words marked for stress.

1. The supervisor reviews the safety protocols every morning.

2. Our team analyzed the production data from last quarter.

3. The client requested a detailed report on energy consumption.

4. They optimized the production process to reduce waste.

5. We're testing the new prototype in the lab this morning.
