Carbon Monoxide by Cake

Too much carbon monoxide for me to _____

Too much carbon monoxide for me to _____

Where's the air?

Where's the air?

Where's the air?

Where's the air?

After car after _____ after car after truck
After this my _____ will be so fucked up
I wish I was in that Mercedes Benz.
Sealed _____ from my scents.
I'd have the music high going 95.
Too much, too much, too much, too much...

Too much carbon monoxide for me to bear.
Too much carbon monoxide for me to bear.
Don't you _____? Don't you _____?
Don't you don't you don't you care?
After car after _____ after car after truck
After this my _____ will be so fucked up
I wish I wasn't just a pedestrian.
Breathing _____ this in
I look up at that _____ sky.
It makes me want to... (ohhhh)
Too much, too much, too much...
Too much carbon monoxide for me to bear.
