"Hey, have you seen those new flowers at the market? They're so beautiful!"

"I agree. I've never seen orchids like that before."

"You should! They'd definitely brighten up the place."

"I've heard they can be a bit fussy, but if you follow the care instructions carefully, they should be fine."

"I think near a bright window would be ideal. They need plenty of sunlight."

"Yeah, I did! I think they're orchids. They have such vibrant color."

"I know, right? I'm tempted to buy some for my apartment."

"Do you think they'd be too difficult to care for?"

"Okay, I might just go for it. What do you think would be the best spot for them in my apartment?"

"Great, thanks for the advice!"
