**Unique Hotel Experiences**

What do tourists want these days? Something different. Many tourists want to stay with wild animals. What do you think about these two unique hotels?

**Giraffe Manor, Kenya**

This large house was built in 1932, but today it is a giraffe sanctuary. The hotel has 8 giraffes. They put their heads in the windows and join their guests for breakfast. The hotel gives money to the African Fund for Endangered Wildlife.

**The Rasa Ria Nature Reserve, Malaysia**

This is a hotel and a 26-hectare\* area that helps 10-20 rescued orangutans. The orangutans are given a place to heal before they go to another rehabilitation centre in the forest. The hotel has many educational programmes, including watching birds, nocturnal animals and orangutans, as well as jungle hiking.
