G

Read the email. Then check (✓) the correct answers. (4 POINTS)

Hi Ricardo!

In your email, you asked me, "What do you do every day?"

Well, I'm a student at the University of Denver. I really like my classes. I study tourism and Spanish. I go to school around 8:00 in the morning on weekdays. Around noon, I have lunch with some classmates. On Mondays and Fridays, I work out at the gym before my classes. And in the late afternoon, on Tuesdays and Thursdays, my friend Michael and I have part-time jobs. We work in the school cafeteria as servers. I also study in the library every weeknight until about midnight. I'm a full-time student, and I don't have time to watch TV.

What do you do? Send me another email, please!

Write soon,

David
