PAST SIMPLE

You know that the British climate is very mild and the British don't see much snow during the winter. So when it begins snowing hard it can become a real disaster.

Last winter 1 _____ to be especially frosty and one night there 2 _____ a heavy snowstorm. So when Alice 3 _____ in the morning she 4 _____ that her garden 5 _____ full of snow. The snow 6 _____ so deep that Alice couldn't take her car out. That's why she 7 _____ a man to clear the snow away from the path that 8 _____ from her garage to her gate. She 9 _____ to this man, "Don't throw any snow on that side, because it will spoil the bushes in my garden and they will look ugly; and don't throw any on the other side, because it will damage my fence. And don't throw any into the street, or the police will be angry." Then Alice 10 _____ to her office and the man 11 _____ to work.

When Alice 12 _____ back, the path 13 _____ clean and the snow from it 14 _____ not on the bushes, or the fence, or the street. Alice was pleased until she 15 _____ the garage to get her car out.

You can imagine how shocked Mr White 16 _____ when she 17 _____ that all the snow from the path was piled on top of her car. The garage 18 _____ so full of it that Alice had .
