How are you? How is England?

2 I'm fine. My new job in Australia is good. The office is in Brisbane and it's in the center of the city. Brisbane is great!

3 I'm in an office with three people: Tony, Martin and Toko. Our office manager is Tony. He's not Australian. He's from a small town in the USA, but he's married to an Australian woman. Her name's Janine and she's a teacher in a language school. Martin is Australian. He's from Sydney, but his home is in Brisbane now. Yoko is Japanese. She's from Osaka.
