Summer

My favorite season is summer. I like summer because the weather is warm and sunny. I enjoy going outside and spending time in the sun. During summer, I can go to the beach and swim in the sea. I like to feel the sand under my feet and hear the waves. I also enjoy eating ice cream because it is cold and sweet, and it makes me happy in the hot weather.

In summer, I have more time to do fun activities because there is no school. I like to play with my friends in the park or ride my bike. The days are longer, so I can do many things outside. I feel free and relaxed during this season. That is why summer is my favorite season.
