Winter

My favorite season is winter. I like winter because it is not too cold, but it is much cooler than summer. The air feels fresh, and I enjoy the rainy days. I like to wear warm clothes like sweaters and jackets. During winter, I can drink hot chocolate, and it makes me feel cozy.

In Israel, we do not have snow in most places, but sometimes it rains a lot, and it feels peaceful. I like to stay inside when it rains and read books or watch movies. Sometimes, when it stops raining, I go outside and feel the cool wind.

Winter in Israel is also the time of holidays like Hanukkah, which makes it even more fun. I like this season because it is calm and gives me a chance to relax and enjoy the cooler weather.
