Dear mom,

Everywhere here looks beautiful and specially fresh because of trees!

People speak English. My English class is four hours a day until noon.

Lunch at the canteen has many International dishes.

Laksa is my favorite-its Malay and Chinese cuisine. Mrs. Amelia took us to museums and other interesting places. Public transport here is great.

I went to the biggest aquarium easily last weekend. I love stingrays the best!

I bought a stingray magnet for Chai, too. It's the best two-week program for me.

Love you and hugs to Little Chai!

Subject: science project

Hi Ping,

My group is staying at a hotel near the science exhibition hall. Bad news! Some test tubes got broken while we were getting off the train.

As you know, we need the tubes for the project. We didn't know where to find them in a short time. And the traffic was very busy during rush hour. The hotel staff suggested that we take the BTS train to a store. It was our first time to take the BTS. It's easier and faster than I thought.

We got the tubes in less than an hour!

Wish me luck on the project presentation tomorrow.

Cheers!
