This is a picture of my family. I have two sisters and a brother. My brother
 13 years old. He very tall. My big sister
 11 years old. She cold. She has a hot drink
in her hands. I in the picture too – that's me in the purple
jacket! We both good at skiing but we
good at snowboarding. My little sister 5 years old. Her
favourite toy a teddy. We all very happy in
the picture.
