The image shows a tablet screen with a blog post. At the top of the screen is a navigation bar with a 'Blog Book' logo on the left, and 'Home', 'Profile', and 'Discover' links in the center. A user profile icon with the letter 'A' is on the right. The title of the post is 'A Parade in My Hometown'. The text of the post is as follows:

When I was a child, I always waited for Independence Day. My father used to ask me to watch a parade together. We saw it from our front yard. I remember how attractive the parade was.

In the first line of the parade, I saw the people **dressed up** uniquely. Some people wore Indonesian heroes' costumes. Some others dressed like local ghosts. They were scary but they were funny, too.

Next, I remembered that a lot of people **marched in** the second line. They waved a mini Indonesian flag. They walked around the village and sang the 'Hari Merdeka' song. Their singing was accompanied by traditional instruments like *angklung*, *suling*, and *rebana*.

At last, I also saw that many children rode their bicycles in the parade. They decorated their bicycles creatively.

I always wanted to join the parade but I was too shy. Luckily, I have the chance to join a parade at my school next week. I am really looking forward to it.
