I.- WRITE THE CORRECT VERB

II.- ANSWER

1.- What eco-friendly habits do you practice in your family?

One habit I practice is.....

2.- Which one is easier for you? Why?

I find it easier to.....

because.....

III.- READ

Abby is 13 years old and lives in Arequipa. She is always worried about the environment. At her school, students sometimes make a lot of garbage. But Abby never likes to waste things. She has an eco-friendly routine. Abby always recycles plastic bottles and cans. She sometimes reuses old clothes and transforms them into bags or ornaments. She reduces waste by fixing broken toys. Abby also makes fertilizer from food scraps and donates old books to others. She always uses recyclable containers, and she tells her friends to reduce, reuse, and recycle.
