ROB LOST HIS JOB

Rob lost his job. Rob was sad. Rob felt bad.

Ben says:

“I will help you, Rob. You will get a job. A job in a shop. A good job. You will get a job in a shop with a good boss. Yes, a job in a shop with a good boss.”

Rob has a job now.
It isn't in a shop.
Rob has a good job,
in a hotel.
He is a doorman. He
has a red jacket and
a black cap.
He opens the door.
And he closes the
door.

He says: “Hello. Have a good day.”
