

MATHS REVISION 2

I. Choose the correct answer

1. What is the sum of 250 and 130?

A. The sum is 250.

B. The sum is 380.

C. The sum is 130.

2. Tom: There is a subtraction $570 - 230 = 340$. I think the minuend of the subtraction is 570.

Is that right, Lily?

Lily: _____.

A. Yes, the minuend is 570.

B. No, the minuend is 230.

C. No, the minuend is 340.

3. Paul: When I divide 25 by 2. What is the remainder?

A. The remainder is 1.

B. The remainder is 25.

C. The remainder is 12.

4. What is the minuend of the subtraction $\frac{9}{2} - 3 = \frac{3}{2}$?

A. $\frac{9}{2}$

B. 3

C. $\frac{3}{2}$

5. What are the factors of the multiplication $\frac{3}{7} \times 5 = \frac{15}{7}$?

A. 5

B. $\frac{15}{7}$

C. $\frac{3}{7}$ and 5

6. In the division $\frac{3}{7} : 3 = \frac{1}{7}, \frac{1}{7}$ is the _____.

A. quotient

B. product

C. difference

II. Read the text. Write ONLY ONE WORD or ONE NUMBER on each line.

Now, let's review the calculations of whole numbers. Look at question number 1.

The summands of this addition are 310 and (1) _____, the (2) _____ is 530. Then, we move to question number 2.

You can see $423 - 128 = 295$ is a (3) _____.

The minuend is (4) _____ and the (5) _____ is 128.

Question 1:

$$310 + 220 = 530$$

Question 2:

$$423 - 128 = 295$$

Question 3:

$$77 : 3 = 25 R 2$$

After that, you can see the difference is 295. The final question is about division.

The quotient of this division is (6) _____ and the remainder is 2.

III. Solve the math problems and write the number.

1. Tina's mother plans to make 3 dresses for her daughter. Each dress requires $\frac{1}{6}$ metres of fabric. How many metres of fabric does she need to buy in total?

Answer: She needs to buy _____ metres of fabric in total.

2. How can $\frac{5}{6}$ of a cake be divided equally among 5 people?

Answer: _____ of the cake.

3. The zoo is open two times a day: $\frac{3}{4}$ hours at noon and $\frac{5}{4}$ hours in the afternoon. How much time is the zoo open every day?

Answer: The zoo opens _____ hours every day.
