

 EFQM VALIDATED BY EFQM 2023	ACTIVITY		SEMINARIO DIOCESANO DE CRISTO SACERDOTE DIÓCESIS DE PALMIRA 
	ASIGNATURA: Science		
	ESTUDIANTE:	GRADO: 4°	

1-Drag and drop the following cell parts: mitochondria, vacuole, lysosome, endoplasmic reticulum, and ribosomes onto the correct picture:

Vacuole	Lysosome	Ribosomes
-----------------------	------------------------	-------------------------

Endoplasmic reticulum	Mitochondria
-------------------------------------	----------------------------

2-Match the following terms to their descriptions:

Join

TERMS	DESCRIPTIONS
Mitochondria ●	● It stores water
Vacuole ●	● It is responsible for cellular respiration
Ribosomes ●	● It is responsible for cellular digestion
Lysosome ●	● It makes proteins
