PERSONAL INFORMATION

Write an email to a friend about your personal information.

Hi Patrik,

I'm writing about my personal information.

My name is Javier. My last name is Sancan. I'm 43 years old. I'm from Ecuador. I'm Ecuadorian. I'm not from Germany. I'm not German. I'm a student and I study Magic at Cambridge University. I'm friendly and easygoing but I'm not patient. I like to listen to pop music and go running but I don't like the scorching weather.

See you soon,

Javier
