Now and then I think of when we (be) together
Like when you (say) you (feel) so happy you (can) die
Told myself that you were right for me
But felt so lonely in your company
But that (be) love, and it's an ache I still remember

You can get addicted to a certain kind of sadness
Like resignation to the end, always the end
So when we (find) that we (can) not make sense
Well, you (say) that we would still be friends
But I'll admit that I (be) glad it was over

But you (not have to) cut me off
Make out like it never (happen) and that we (be) nothing
And I don't even need your love
But you treat me like a stranger, and that feels so rough
No, you didn't have to stoop so low
Have your friends collect your records and then change your number
I guess that I don't need that, though
Now you're just somebody that I (use) to know
Now you're just somebody that I used to know
Now you're just somebody that I used to know
